## Clinical Laboratory Alert

August 27, 2008

Lenco Diagnostic Laboratory, Inc. would like to take this time to thank you for choosing us as your clinical reference laboratory. The purpose of this letter is to enable us to process your patient's specimens in the most timely and accurate manner possible.

### Important Information Regarding Allergy Testing

In accordance with requirements mandated by the Food and Drug Administration (FDA) (see attachment 1), effective September 1, 2008 certain 3gAllergy ASR allergen testing (see Table 1) will not be able to be run at this, or at any other lab. According to the manufacturer of our testing equipment, the testing of these particular allergens should resume in the near future.
